

BREAKING NEWS!

You are invited to attend our

Prep Orientation

Our Prep Orientation day is arranged through contacting the office on 07 4094 1261. If you have a child who is turning 5 before the end of June 2021 they are welcome to attend.

Often we are asked how small schools work and what it looks like in the classroom. We are going to answer all your questions and ensure you fall in love with our small school, community spirit and the unique programs such as Stephanie Alexander kitchen garden, Northern Gulf Garden, Nature play and other exciting opportunities we offer all our students.

So! Would you like to enrol your child in a Future orientated, and dynamic learning environment in a small school setting?

Come along 9-11am on 27/10/2020 for our first session. You will need to ring or email the school to register. - Phone: 07 4094 1261

Parents / Carers will need to accompany their child. Please bring a small snack for morning tea and their birth certificate. Parents / Carers are invited to remain for a tour and a question answer session with the school Principal and an opportunity to meet staff.

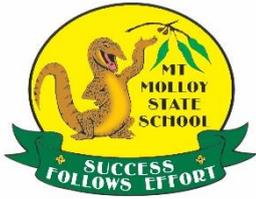

Principal – Bev Oldfield

Address: Fraser Road, Mt Molloy, QLD, 4871

Phone: 07 4094 1261

Mobile : 0436 947 109

Why Choose our School?

QUEENSLAND

We hold **high expectations** for continuous improvement for each and every child in our school. **All students deserve a champion** and we believe all students learn best by doing. Through **collaborating with peers**, engaging authentically with the learning material, and **actively participating** in learning experiences students deepen their **independent, creative, and critical thinking skills**.

Our teaching staff and students have a **passion for learning** and a **thirst for knowledge** to **become life-long learners**. We embrace that experiences should be flexible, allowing students to **engage with the curriculum** content in ways that best suit their learning style. Flexibility also requires an **innovative approach** in that learning can truly happen in a variety of ways using multiple devices and mixed reality media.

At **Mt. Molloy State School**, we offer a rich and diverse range of educational activities. A few examples in addition to all state schools of what our school has to offer your child follows:

Kitchen Garden Program - Every Friday the students participate in our **Kitchen Garden program**. The upper and lower school students rotate between the kitchen and garden every Friday. Students must wear a hat and correct shoes. Volunteers are welcome to assist in this invaluable program. Please contact the office to register as a volunteer.

Pumpin' Pizza Restaurant - This program is a **student driven entrepreneurial enterprise**. Pumpin' Pizza Restaurant is open to the general public once per term. Students in the senior class are actively involved in the advertising, financial literacy, food preparation and service. This program **provides opportunities for students** to learn about business planning, accounting processes, market surveys, data collection, costing, food preparation, hospitality and life skills.

Northern Gulf Resource Management Group - The ethos of this program is healthy kids, happy kids and is funded by the Public Health Network. The aims of this are to encourage environmental leadership and build healthy minds and healthy bodies. Students will be encouraged to participate through fun interactive activities. Such as planting a fruit garden, eating healthy foods, creating healthy foods and participating in activities such as Yoga and Mindfulness.

Nature Play – to allow unstructured outdoor **play**, "**nature play**", areas so that students can develop into resilient, healthy, happy, and creative members of the community.

The staff, students and parents at Mount Molloy State School share the vision that prioritises the values of **Be Respectful, Be Responsible, Be Safe and Be a Learner** as well as upholding our school motto of '**Success Follows Effort**'.

E - Engagement

F- Flexibility

F- Fun

O- Organisation

R- Resilience

T -Time Management

Our students have empathy for all cultures and appreciates that everyone is deserving of respect in our society. All staff and students live up to the high level of our shared school values.

We encourage parents, carers and the wider community to actively participate in the work of our school. In addition, importantly, we acknowledge and support the vital role that parents play as partners in their children's learning.

We are honoured that parents choose our school to educate their children. It is an act of trust and faith in the work that we do as a whole staff. Teachers affect children's lives and as a profession, we have the power to create great good for both individuals and society.

WE invite you to join us in this exciting and rewarding journey.
